Executive Officer,  
Office of Medical Services

SUBJECT: OMS Response to DDA Check List

REFERENCE: Mr. Hugel's Check List dated 6 May 1981

The following represents OMS response to two items on Mr. Hugel's check list of 6 May 1981:

1. Study of all Efforts of PSS

The D/MS forwarded two papers on the evaluation of PSS (now a division) on 26 March and on 10 April 1981. Both papers describe the functions in increment levels performed by PSD in support of other Agency components.

2. Study of Activities of Psychologists Throughout the Agency

A memorandum was forwarded to the DDA on 6 April 1981 which merely listed the location of Agency psychologists and their functions. This was not a study, but a cursory survey which indicated that there
